📖 Education

Georgetown University
BA in Government
minor in Economics

expected 05/17
Washington D.C.
GPA: 3.65

🚶 Experience

Monitor 360
Analyst Intern

09/16 - present
Washington D.C.

- Collaborate with a team to solve USG and corporate clients' narrative problems by:
  - Scoping research, devising work-plans, and anticipating risks;
  - Acquiring, gathering, and analyzing data using a variety of NLP and Network Analysis techniques;
  - Visualize data in Tableau and Quid;
- Developed criteria for dataset scope and analytical approach for a case examining pervasive narratives for young Americans consuming violent extremist content online
- Leverage NLP and analytical tools to interpret large social and news media datasets for three projects examining public opinion on AI/ machine learning, virtual/augmented reality, and nanotechnology

Center for Open Data Enterprise
Research Intern

05/16 - 09/16
Washington D.C.

- Conducted over 20 semi-structured qualitative interviews with organizations around the world regarding their use of government open data and challenges that arise when accessing government data
  - Responses from these interviews were compiled and were central to the 2016 World Bank open data portal "Machine-Readability Report"

◯ Scholarships & Awards

Government Honors Thesis Program
Honors Candidate

expected 05/17
Washington D.C.

"Ask Not What Your Country Can Do For Open Data,
Ask What Open Data Can Do For Your Country"

- Examine possible factors for open data portal adoption from four angles: FOI/ cultures of transparency, accountability of elected officials, security and anonymity, and international aid
- Test for association/independence between various indices (eg. CPI index, WVS political culture field) and Open Data Index's 2015 national open data portal evaluation report
- Develop case studies around four countries' paths toward their open data portals and conduct logit analysis using Open Data Index's primary data to further explore each case on an intranational sectoral level

Critical Language Scholarship Program
